

PATRON FORM

The Alliance for Children's Entitlement to Social Security (ACCESS) is an alliance of over 1 200 children's sector organisations. ACCESS is an association not for gain, incorporated under Section 21 of the South African Companies Act.

ACCESS members are drawn from various rural and urban organisations across South Africa - including community based organisations, non-governmental organisations, government, service providers, etc. They are committed to the realisation of a comprehensive social security system which ensures the survival of all our children and a standard of living adequate for their development. Two specific objectives enable us to reach this goal:

- to ensure that all children who qualify for social security in terms of the current system, can access the grants and benefits to which they are entitled.
- to advocate for the transformation of the current system into a comprehensive social security system, which is made up of a package of cash grants, access to education, healthcare, nutrition, water and electricity.

Your assistance will enable us to ensure that these aims and objectives become a reality. Patrons mostly provide assistance through their financial contributions, which are tax deductible. In return, they are kept informed of ACCESS's projects through regular updates on activities and successes. There are also national and provincial member meetings, which patrons are very welcome to attend.

Each patron or group will receive a patronage certificate. They will also be recognised on the patron page of our website and in other publications. We hope that you will see fit to endorse our endeavour and further your social commitment by supporting the children of South Africa, and indirectly Africa.

To find out more about ACCESS, or to donate online, please visit our website: www.aces.org.za.

Kind regards,
The ACCESS team

Annual Membership Amounts

- Platinum R1 000
- Gold R 500
- Silver R 250
- Once-off donations are also welcome
